                             1 student per existing course

Other conditions:

Renewal Options:

### EXTENDED DATE OF CONTRACT.

This is a multiple award contract.  Users must review all contracts in the relevant category for optimal pricing and service: see listing on last page.  Document the award selection.

This contract covers only those items listed in the price schedule.  It is the responsibility of the agency to ensure that other items purchased are invoiced separately.  State agencies will place orders directly with the vendor (creating a PG in Finet) and make payments for the same on a PV referencing the original PG.  Agencies will return to the vendor any invoice which reflects incorrect pricing.

**Contact Information:**

Steve Green
CE Computer Training & Certification
Ogden, Utah 84408-1703
sgreen@weber.edu

**Scope of contract:**  Training contracts cover any combination or the total of all three categories as listed on page 1 of the Contract Summary Sheet:  (1) Desktop Applications, (2) Technical, and/or (3) Softskills.

> **Technical training** is for users who are system administrators or those who need training in a high level subject.  Training may include, but not limited to, Novell, Microsoft, Unix environments with testing and certification, Web, Mainframe, and programming languages.

Suppliers may choose to coordinate classes to include State students and other customers.  The State does not require private classes for State students.

The contract covers only the classes listed.  Any changes must be pre-approved by the ITS Training Resource Center and State Purchasing.

Instructors must have a minimum of 2 years to teach classes listed in this contract. Certificates of completion to each student are required at the end of each class.

**Training materials:** Contractor is to provide training materials to each student for each class. This could include on-line materials, guides, manuals, etc.

**REPORTS: The contractor will submit quarterly reports to the state purchasing agent showing quantities and dollar volume of purchases by each state agency and political subdivision. These reports will be due 10 days after the calendar quarter**
